

FEIF INTERNATIONAL FEDERATION OF ICELANDIC HORSE ASSOCIATIONS

6th FEIF Young Leaders' Event 4-6th October 2024, Stockholm, SE

Topic: Youth participation - how to integrate young people into the Icelandic horse community

On behalf of FEIF and SIF, we would like to invite you to Sweden for the sixth FEIF Young Leaders' seminar. FEIF Youth work is offering a series of annual seminars, focussing on the age group 18-26 when great changes take place in the lives of young people.

Our aim at this event is to encourage you, young adults, to engage in the organizational work of the Icelandic horse. During the weekend, we will practice leading groups and projects, work on self-development, and learn more about the (Icelandic) horse industry as a whole. By integrating the younger riders into our Icelandic Horse Associations, committees and clubs, we harness a wealth of knowledge and competence and create the leaders of the future.

The programme includes:

Thérèse "Tessan" Waerner, *expert in pedagogics and leadership within the equestrian industry*, will conduct a workshop on **leadership and management** in an equestrian context.

Karolina Lagerlund, *CEO of the Swedish Horse Industry Foundation (HNS)*, will provide an exciting as well as important **foresight on the future of equestrian sports**.

Additionally, we will engage in **leadership exercises** and practice **project management**. We will also get coaching in **personal development** to learn more about ourselves and gain confidence in complex social situations.

You can also look forward to a **horse-related field trip** and a **surprise session** with an **exciting speaker**.

Application and payment deadline: 1st September 2024

Participants are only registered after full payment has been received by FEIF.

We are looking forward to welcoming you to Stockholm and live and laugh and learn together in the course of the seminar!
